RECENT YAUMATI RIOT

CONSTABLE FINED FOR
ASSAULTING TAILOR

In Magistrate Lindell's court yesterday afternoon, there was a sequel to the disturbance outside the Yaumati police Station on the night of March 15, when a crowd of Chinese, angered by an assault said to have been committed by an Indian constable on a Shanghai Street tailor, surrounded the station and when the surrender of the offender was refused bombarded the place with stones causing considerable damage to the windows.

The constable, Najaf Singh, was charged with assault. He in turn summoned the tailor for a similar offence.

Mr. Leo d'Almada appeared for the prosecution. The defendant was not legally represented.

Outlining the case, Mr. d'Almada said that between 7 and 8 p.m. on the 15th, his client was walking along Shanghai Street when his dog barked at defendant who was then in mufti. Defendant raised his stick to strike the dog. Going forward with the object of saving the dog the complainant received two terrible blows on the head with defendant's stick and was knocked down. With regard to the subsequent events outside the Police Station, Mr. d'Almada said his client wanted to dissociate himself from them.

The complainant in the witness box, bore out Mr. d'Almada's opening statement. He denied that he had assaulted the defendant.

The defendant denied that the trouble originated at the junction of Shanghai and Pakhoi Street, but held that it took place in a goat shed. He said that he was subsequently chased into Shanghai Street by a hostile crowd of Chinese.

A Shanghai Street fruit dealer said that the defendant ran into his place. A crowd gathered outside and shouted to the Indian. Subsequently a European police officer came and removed the Indian. He admitted that the Indian appeared to have been running when he came into the shop.

The defendant then went into the witness box and stated in evidence that as the result of the loss of a goat and a kid from a goat shed several days previous to the 15th, instructions were given by the Inspector to all Indian policemen to keep a watch in the area. On the evening of the 15th, he went to the goat shed to see if the goats were all there. He saw two Chinese inside the shed which was open and two others standing near a latrine nearby. One of the latter whistled on his approach and the two men in the shed came out. He caught one of them, the complainant, and accused him of stealing the goats.

When he seized the complainant with the intention of taking him to the Station the latter struck him on the chest with his fist. He retaliated with his fist whereupon the two men standing at the latrine came up and incited a crowd which then gathered to strike him. He bolted along Nathan Road, pursued by a big crowd who threw stones at him all the way. After a long chase he fled into 95, Shanghai Street, for refuge. The crowd which had increased during the chase collected outside and threatened to wreck the shop unless the people inside surrendered him. The complainant was among the crowd bleeding from two wounds on the head caused by stones that were aimed at witness.

The Magistrate: What is the use of telling such lies to me. You only make your case worse.

Sub-Inspector Pain said that the defendant was excited when he returned to the station, but was perfectly sober. He had a fair record in the Force.

The Magistrate convicted, and dismissed the cross-summons.

Mr. d'Almada pressed for a heavy penalty. He said that the complainant could not be held responsible for the disturbance which took place sub-

HONGKONG SHIPBUILDING

STEEL LIGHTER "BROOKLYN"
LAUNCHED.

Messrs. W. S. Bailey and Co., Ltd. have launched from their workshop Kowloon, the steel oil lighter "Brooklyn." Built to the order of the Standard Oil Co. of New York, the vessel is of steel throughout, 154 feet 6 inches in length by 31 feet in breadth with a draft of 8 feet 6 inches. Oil in bulk is carried in the main hold. There is a steel deck house aft with galley mess room and a teak deckhouse above having rooms for captain and pilot, also a flying bridge with wheelhouse of steel for protection of the steersman. The crew space under forecastle accommodates 12 seamen.

The vessel was gallily decorated with flags and the launching ceremony performed in the time honoured manner by Mrs. Bowen, the vessel sliding down the ways and taking the water amid a fusillade of crackers. Among those present were Mrs. C. M. Bowen, Mrs. A. J. Moore, Miss R. Wallace and Messrs. W. J. G. Whaley, A. L. Todd, A. Pethergill, T. Ramsay and W. S. Bailey.

The party then adjourned to the firm's office for refreshments after which Mr. Bailey said: Ladies and gentlemen, I have to thank you for your attendance here to-day and Mr. Bowen for so kindly launching the "Brooklyn." The "Brooklyn" forges another link in our connection with the Standard Oil Co. and the will, I hope, prove an entire success. The "Brooklyn" is also another link in these great organizations of men and money whose efficiency commands our respect and I think in this connection especially of the Standard, having been so long acquainted with that Company and having studied its rise from a small beginning, the purchase of one oil well by its Founder, to its present dimensions. Corporations, millionaires and the moneyed classes generally are often criticised, and no doubt criticism and opposition are useful, but I think the wodd extension of the Standard and its fleet of vessels, large and small, taking its products direct to the consumer, is made possible only by the large amalgamation of capital under one efficient control and the army of able workers employed. I often think these great corporations illustrate the success of what has been called the three-legged stool of the industrial world, Labour, Capital and Business ability, each equal in value and no two legs of which can stand without the third leg. We count it an honour to contribute in even a small degree to so great a success and I now ask you to drink heartily success to the "Brooklyn" and to the Standard Oil Co. of New York.

The toast having been duly honoured Mr. Todd proposed the toast of the builders, which was seconded by Mr. Whaley.

Four cases of plague and one of enteric fever (fatal) were reported yesterday, all Chinese.

Streamers, confetti and balloons will add to the gaiety at this evening's Hongkong Hotel fancy dress dinner. The famous jazz band under the direction of Mr. Will Hender will, of course, contribute largely to the night's enjoyment.

Subsequently outside the police station, and no one more regretted the unfortunate incident than he did.

The Magistrate said he thought there was more behind the affair than either party had chosen to disclose. He had no doubt that the defendant had assaulted the complainant, but he did not believe the latter when he said that it was absolutely unprovoked. There must have been a quarrel before.

Defendant was fined \$50 and ordered to pay \$25 compensation to the complainant.

COMPANY MEETING.

CHINA SUGAR REFINING
CO., LTD.

At the office of the general agents, Messrs. Jardine Matheson and Co., Ltd., this morning the forty fourth annual ordinary meeting of the China Sugar Refining Company Ltd. was held. Mr. D. G. M. Bernard presided and there were present the Hon. Sir Paul Chater C.M.G., Mr. H. P. White, the Hon. Mr. A. O. Lang, and Mr. E. J. Chapman (Consulting Committee) Mr. E. B. C. Hornell (Secretary), and the following shareholders:—Messrs. W. J. Carroll, Choa Po Sien, N. V. A. Cromber, F. M. P. de Graca, Ho Fook, Ho Leung Ho Ki, Ho Kwong, Ho Shai Kit, Ho Wun H. Humphreys, E. B. C. Hornell, O. Kitchell, Lo Chung Shui, Lo Man Hin, J. McQuarrie, A. Murdoch, H. M. H. Namase, I. S. Perry, E. M. Shaw, A. M. de Silva and P. Tester.

The Chairman said:—Gentlemen,—Before dealing with the business of this Meeting, I wish to record the deep regret of your General Agents and Consulting Committee at the untimely death of Mr. Francis Maitland, and to convey to his relatives and friends our deepest sympathy with them in their bereavement. Mr. Maitland had been a member of the Consulting Committee for some 16 years, during which period he took a keen interest in the welfare of the Company.

The Report and Accounts, with the Auditors' Report, having been in your hands for some days, I will, with your permission, take them as read. It is with much regret that we have to report a loss of \$596,025.44 on the year's working. As you are all aware, the period under review was a difficult one. The year began with a steady market in Java in the neighbourhood of Guilders 20: per picul. This subsequently fell to Guilders 10: in sympathy with a fall in Cuban. This fall was due to the large supplies in Cuba for which growers were unable to find a market at the higher level of prices. The refined market in China followed the downward course of Java, and though subsequently, the Raw market rose slightly, the price for Refined in China has not recovered. It is inadvisable to prophesy in regard to the future, but our stocks of Raw Sugar are below present-replacing cost, and I trust there is a more favourable period in store for us.

Turning to the Accounts, I do not think anything calls for particular attention. Our policy of systematic Repairs and Renewals has been continued, and the Refinery is in an efficient condition. Depreciation has been provided on the usual scale. The new block of Flats has been completed and is in occupation. After writing off the amount of \$140,000 set aside last year, the flats now stand in the Books at \$28,976.10. After deducting \$75,781.11 brought forward from the previous year there was a balance of \$520,248.33 at debit of Profit and Loss Account. With the approval of the Consulting Committee, this has been adjusted by a transfer from Sugar Fluctuation Account. The Consulting Committee now recommend the payment of a dividend of \$5 per share out of Equalisation of Dividend Fund, which will absorb \$100,000.

I now beg to propose that the Report and Accounts as presented be adopted, and that a dividend of \$5 per share, absorbing \$100,000 be paid out of Equalisation of Dividend Fund.

Sir Paul Chater seconded the resolution was carried unanimously. On the motion of Mr. Lo Chung Shui, seconded by Mr. H. Humphreys, the Hon. Sir Paul Chater, The Hon. Mr. A. O. Lang and Messrs. H. P. White and E. J. Chapman were re-elected as members of the consulting committee.

Mr. A. R. Lowe and Mr. H. Perry Smith were re-elected as auditors at a remuneration of \$750 each on the motion of Mr. I. S. Perry seconded by Mr. N. V. A. Cromber.

SERVANT PROBLEM DECISION.

With the general object of improving the conditions of residence on the Peak, it was decided at a largely attended meeting held in the Peak Club last evening to form a Peak Residents' Association. Mr. Justice Gumpertz presided.

It was stated by Mr. G. T. M. Edkins, who briefly outlined what had been done by the provisional committee, that the Government was favourably disposed towards the granting of a lease which would make it possible for the Dairy Farm Company to establish a store and refrigerating plant on a suitable Peak site. He mentioned further that the Hongkong Hotel Company was installing a refrigerating plant in the Peak Hotel and was converting a large basement room at the Hotel into a store which would be under the supervision of a European butcher.

The servants question was discussed at some length. The provisional committee recommended that the matter of servants' wages be left for individual decision and urged that it would not be good policy for the Association to deal with the question collectively. An amendment that the servants be not paid during the time they were doing no work was decisively negatived and the committee's recommendation agreed to.

A constitution, on similar lines to that of the Kowloon Residents' Association was approved and the following officers were elected: Chairman, Mr. V. M. Grayburn; Vice-Chairman, Mr. W. E. L. Shenton; hon. sec. and treasurer, Mr. E. B. C. Hornell; committee, Mr. F. A. Mackintosh, Mr. M. E. F. Avey, Mr. H. B. L. Dowbiggin, Mr. W. C. Shiner, Mr. F. C. Hall, Mr. F. W. James, Mrs. A. Mackenzie and Mrs. E. V. D. Parr. It was the feeling of the meeting that in addition to having ladies among the committee it was the feeling of the meeting that ladies should also form sub-committees when occasion required.

Built to the order of the Anglo-Saxon Petroleum Co., Ltd., by the Hongkong and Whampoa Dock Co., Ltd., the s.s. "Pianoritis" will be launched at Kowloon Dock on Tuesday next at 12.15 p.m.

Hugely successful, the Kowloon Theatre's balloon dance last night drew a record crowd and kept it greatly amused the whole evening. Marshall Nellan's great newspaper adventure picture "Go and Get It" makes its last appearance to-night. "Blind Husbands" will be shown to-morrow evening.

An eightroom reel having been included in the programme for the dance in the Pavilion during the Prince's visit, those receiving invitations should note that a short practice will be held in the Pavilion on Monday, April 3 at 5.30 p.m. when the pipes of the Scottish Company will attend.

A LIFE SAVER.

It is well to say that Chamberlain's Cough and Diarrhoea Remedy has saved the lives of more people and relieved more suffering than any other remedy in existence. It is a household name all over the world for its speedy relief of colds, coughs, croup, whooping cough, and all intestinal pains. For sale by all Chemists and Storekeepers.

THE QUAINTS.

LAST PERFORMANCE HERE TO-NIGHT.

Very bright and jolly was the entertainment the Quaints gave in the Theatre Royal last night under the title of "Patchwork". The audience was not slow to express its appreciation and many capital items in which song and laughter predominated, were greeted with loud applause. Especially delightful was the humour which formed a generous portion of a generous programme, while the dancing turns were notably clever. This entertaining company give the last performance of their Hongkong season this evening when another large house is assured.

PUBLISHED POTS.

JAIL FOR GARDENER.

The No. 1 gardener employed by Mr. A. E. B. Silva Netto, was charged before Magistrate Wood this morning with the theft of two fancy porcelain flower pots worth \$8.

An Indian servant said that yesterday afternoon he saw a marine hawker in Bonham Road with the pots in his possession. He questioned him, and the hawker took him to No. 64 Robinson Road where he pointed out the defendant as the man who had sold them to him. The defendant admitted to the witness that he had sold the pots to the hawker for \$3. The witness took them both to see Mrs. Silva Netto and the latter ordered the defendant to be charged.

Mr. Silva Netto said that he had 28 pairs of flower pots of that description. Since the defendant's arrest he had checked them and found four pairs missing.

Defendant said that the pots were given to him by a friend, also a gardener, to sell for him. He denied that they were Mr. Silva Netto's property.

The Magistrate passed sentence of one month's hard labour.

INTIMATIONS

NOTICE TO OFFICERS AND ENGINEERS OF THE BRITISH MERCANTILE MARINE.

IN accordance with the expressed wish of H.R.H. the Prince of Wales to meet all ex-service men, among whom he mentioned officers of the Mercantile Marine, His Excellency the Governor most kindly extends to all certificated members of that Service in ships using or passing through the Port an invitation to be present in the grounds of Government House at 2.30 p.m. on the afternoon of April 6th, when His Royal Highness looks forward to meeting them. In announcement of the above already issued, the final date of application for tickets of admission is stated to be March 25th. It has however been realised that if this date is strictly observed, the majority of officers likely to be in port on April 6th will be prevented from attending. Arrangements have therefore been made that officers should apply as soon as possible for tickets of admission to the Rev. G.T. Waldegrave, Seamen's Institute, Praya East; (stating rank, ship, name of firm, and any war-service and decorations), the final date of application being kept as late as possible in order to obviate in some measure the difficulty above stated. "ABSOLUTELY IMPOSSIBLE."

GERMANY'S REPARATIONS STAND.

TAXATION LIMIT REACHED.

BERLIN, March 28.
In the Reichstag, the Chancellor, Dr. Wirth declared that the Reparations Commission's demand for the imposition of sixty milliards marks fresh taxation is absolutely impossible.

FRENCH AMBASSADOR RESIGNING.

LATER.

Herr Wirth while accepting many of the views expressed by the Reparations Commission, said that the latter apparently ignored the importance of German taxation reforms, particularly relating to compulsory loans. He dwelt on the unforeseen burden in consequence of exchange conditions which had upset the whole budget plan and increased the budgetary deficit from 28 to 220 milliards marks. He most emphatically protested against the principle of allied control in the assessment and collection of taxation.

The newspaper Zeit states that M. Laurent, the French Ambassador to Germany, is resigning, owing to disagreement with French policy especially the Reparations Commission's note.

AMERICA'S PACIFIC TREATY CAUTION.

DOMESTIC QUESTIONS EXCLUDED.

WASHINGTON, March 28.

The Senate adopted without roll call a reservation declaring domestic questions are excluded from the scope of both the Pacific and the supplementary treaty.

BLOCKS LAND DISARMAMENT.

WASHINGTON, March 29.

In the Senate, Senator Lodge submitted the proposed power treaty on limitation of naval armaments.

Referring to land armaments he said that the United States did not propose further to reduce its armaments as long as the attitude of France made it apparent that there was nothing more could be done in that direction.

NAIROBI RIOTS SHOOTING.

ENQUIRY VINDICATES POLICE.

NAIROBI, March 28.

At the enquiry into the riot mentioned on March 17 the Magistrate decided that the police were fully justified in firing. The native agitator who was arrested to the disturbance has been deported to Kisumu.

[A Nairobi message dated March 17 stated: Thousands of Kikuyus marched to Nairobi, demanding the release of a prominent native agitator who had been arrested. Serious disturbances developed and armed police were powerless to move the crowds who attacked rich houses and forced Europeans to alight and walk. Property were summoned and they fired their rifles, killing 20 and wounding 30 natives.]

INTERNATIONAL COURT.

RUSHA'S GENOA DELEGATES.

LENIN ANXIOUS TO MEET LLOYD GEORGE.

BUSINESS NOT POLITICS.

LONDON, March 28.

With reference to reports of Lenin's serious illness broadcasted recently, a Berlin message says that he is not so ill as was at first believed and he will go to Genoa the week after the opening.

Lenin himself told an American interviewer that nothing short of a physical collapse would prevent him from attending the Genoa conference which he regards as a meeting to discuss business and not politics. Lenin said he chiefly wanted to meet Mr. Lloyd George because he felt an understanding was possible with a practical man like him.

The interviewer describes Lenin as greatly changed. He is obviously suffering physical nervous strain.

RUSSIANS FEAR OUTRAGES.

The Russian trade delegation in London has received a telegram from Moscow announcing that the Russian delegates to Genoa will not enter Italy until the Italian Government has given unexceptionable guarantees of their inviolability against possible outrages by the Fascist assistants by the Russian Black Hundred and refugees both during the journey and at Genoa.

FRANCE'S DELEGATES.

PARIS, March 28.

A semi-official message says that M. Poincare may attend the final sittings of the Genoa conference when the question of recognition of the Soviet Government will be examined.

The Cabinet has appointed M. Barthou, Minister of Justice, head of the French delegation to Genoa. Three other delegates will be appointed.

SEMENTOFF AT VANCOUVER.

WASHINGTON'S INSTRUCTIONS AWAITED.

VANCOUVER, March 28.

The immigration authorities are awaiting instructions on the report they have despatched to Washington regarding the purpose of the visit of the Anti-Bolshevik General Sementoff who has landed from the Far East.

Sementoff explains that his aim is to unite the Siberians under a republican Government unofficially related with the Russian Soviet.
